

ECONOMY FLUSH FIT RANGE

The Economy Flush Fit Wall Mirror is a cost effective way to achieve a wide area view of an entire room. This compact design can be screwed flat against the wall, making this a more suitable option when there is little room for brackets to extend. The specially designed curve gives maximum reflection without distortion.

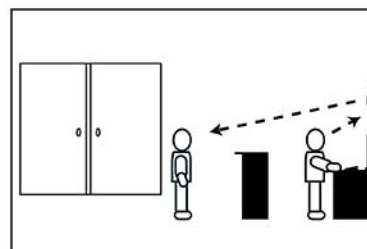

SPECIFICATIONS:

PART NO.	SIZE	* VIEW DISTANCE	MIRROR FACE	BACK	BRACKET	MOUNTING HARDWARE	MOUNTING HOLES
18365F	365x275mm	Up to 6m	2mm Acrylic	None	None	2 x Dome Capped Screws	4 x 5mm
18367F	525x335mm	Up to 10m	2mm Acrylic	None	None	2 x Dome Capped Screws	4 x 5mm

* View Distance is the combined distance from the observer to the mirror PLUS the distance from the mirror to the area being viewed.
