

DELUXE STAINLESS STEEL TRAFFIC RANGE

The unbreakable Deluxe Stainless Steel convex mirror is tough and durable and can withstand extreme weather conditions. The shallower curve of the mirror face means you can observe high speed traffic much more safely without risk of damage from projectile objects such as rocks or vandalism. The galvanised steel Clamp bracket is designed for pole mounting. The Deluxe model can be strategically positioned anywhere a driver's field of vision is obstructed, such as blind corners, a concealed entry or exit and hard to see intersections.

SPECIFICATIONS:

PART NO.	SIZE	* VIEW DISTANCE	MIRROR FACE	BACK	POLE FITTINGS	BRACKET LENGTH	MOUNTING HOLES
66066C	24"	Up to 140'	.9mm Stainless Steel	10mm Vinyl	3" Clamp	10"	None
