

OUTDOOR STAINLESS STEEL HALF DOME

The Outdoor Stainless Steel Half Dome Mirror is virtually unbreakable and features a 180° wide area view for two-way intersections and building exits. The galvanised steel J-Bracket is fully adjustable and easy to install. The 1.2mm highly polished stainless steel mirror face is ideal for driveways and buildings where vandalism or projectile objects are a problem or where pedestrians need added safety to view hard to see areas on public walkways. Optional U-Bolts are available to purchase for pole mounting.

SPECIFICATIONS:

PART NO.	SIZE	* VIEW DISTANCE	MIRROR FACE	BACK	BRACKET LENGTH	MOUNTING PLATE	MOUNTING HOLES
16525HO	500mm	Up to 9m	1.2mm Stainless Steel	10mm Celuka	190mm	150x75x5mm	4 x 11mm

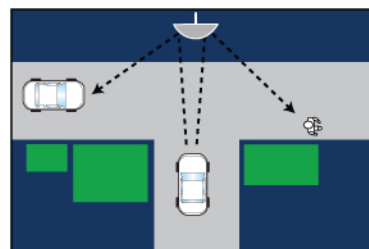

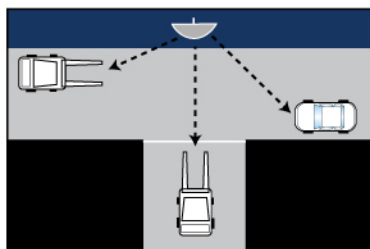

* View Distance is the combined distance from the observer to the mirror PLUS the distance from the mirror to the area being viewed.

SUITABLE USES:

- Two-way driveways
- All weather and coastal conditions
- Vandal prone areas
- Industrial and heavy machinery
- Forklift loading at entrances and exits
- Subways, underpasses and public walkways

Optional U-Bolts
